(U) El Monte – Two Police Officers Killed After Being Shot While Responding to Call

(U) Two police officers have died after being shot while responding to an emergency call at a motel in El Monte. The officers were responding to a possible stabbing at the Siesta Inn and "took gunfire upon arrival," officials said. Both were rushed to LAC-USC Medical Center where they died from their injuries. Detectives say the suspect was also hit by gunfire and died at the scene.

(U) San Jose – Bomb Squad Responds to Reported Suspicious Device at Councilwoman's Home

(U) A San Jose bomb squad responded to the city's Willow Glen neighborhood on reports of a suspicious device at the home of Councilwoman Dev Davis, according to police. The device was found at the home along Coe and Delmas avenues, police said, and bomb squad personnel loaded the device onto a trailer at the scene. It was not immediately clear if Davis was home at the time of the discovery. Police were trying to determine what the device was but said there was no threat to the public.

(U) Pennsylvania – 100 Security Cameras to Be Installed Near Schools in Effort to Curb Gun Violence

(U) Philadelphia – In an effort to curb shootings and make going to and from school less dangerous for students, Philadelphia officials announced they will spend \$1.8 million on installing security cameras near city high schools and middle schools in high crime neighborhoods. Craig Johnson, the deputy chief of school safety for the School District of Philadelphia, said the schools were chosen for the program based on information regarding shootings around those campuses. The cameras will be linked to the Delaware Valley Intelligence Center, where Philadelphia police monitor crime from real-time feeds.

(U) Australia – Man Charged for 3D Printing 'Fully Functional' Firearm

(U) Canberra – An 18-year-old has been charged after authorities executed a search warrant at the individual's home and seized a fully functional 3D printed firearm, among other weapons. "This firearm although it resembles a toy, has the ability to cause serious harm within our community," Detective Senior Sgt. Blair Smith said. The plastic firearm is said to be capable of firing 15 rounds with one pull of the trigger. According to police, it allegedly took two days to produce the weapon with materials costing less than 40 Australian dollars (\$35). No motive has been determined for printing the firearm.

(U) Sudan – Latest Tribal Violence Kills Over 100, UN Says

(U) Kulbus – The most recent bout of violence erupted last week in West Darfur's town of Kulbus over a land dispute between Arab and African tribes, according to the UN Office for the Coordination of Humanitarian Affairs (OCHA). Local militias then attacked multiple villages in the area, OCHA said. A total of 126 people were killed, including 101 from the Gimir tribe and 25 from the Arab Rizeigat tribe, it said. More than 130 others, mostly from the non-Arab tribe, were injured in the weeklong clashes, it added. OCHA said at least 25 villages in the Kulbus area were attacked, looted and burned.
